Pilot #002-Trident Region Evaluation

The following document is the reported findings for the Native American Needs Assessment Survey conducted in the Trident Region during the summer of 2008. This section from the full report has been sent to you for review and evaluation.

Evaluation forms have been provided to you for your responses. Reviewers will have up to 60 days to complete and return their evaluation of the project and report. **The evaluation forms are due on or before October 31, 2011 to the Commission.** Forms may be emailed, faxed, mailed or hand delivered. Please note that our email addresses, telephone number, fax number, and mailing address will change after September 23, 2011 due to the agency's change of location. Therefore, forms mailed after September 23, 2011, should be mailed to the Commission's new address, **2221 Devine Street, Suite 408, Columbia, SC 29205**. If you wish to email or fax forms to us after September 23 and you do not have our new telephone number, fax number or email address, please contact Mr. Thomas Smith at (803) 206-2025 (agency cell phone) or Ms. Lauretha Whaley at (803) 608-6755 (agency cell phone) for updated information.

The full report will include the project history, methodology, Pilot #001-Catawba Indian Nation reported findings, Pilot #002-Trident Region reported findings, evaluation and recommendations. The full report and presentation will be reviewed by the Native American Advisory Committee during an upcoming meeting at which the future of the project will be discussed.

The Commission for Minority Affairs appreciates your continued involvement in this project and welcomes the feedback from your evaluations.
